

"We have partnered with the Edmonton Community Foundation on Nancy's Butterfly Fund. This will be an ongoing fund and we will continue holding events to raise money. Each year a portion of the fund will go back into the Edmonton community, specifically into charities and organizations that assist domestic violence victims through financial aid and shelter. Therefore donor dollars will go into this endowment fund and then be distributed to local shelters and organizations." *Nancy's family*

ECF works with donors to establish endowments to support charities working to make Edmonton a better place. Donors contribute to permanent endowments, and the interest from these investments provides annual support to the causes or organizations supported by that fund.
